INC. VILLAGE OF FARMINGDALE

- Rodent and property maintenance issues are being addressed, LIRR was contacted about removing rat habitat along the tracks from Merritts Road to Stratford Green. LIRR claims to have a large back-up in clearing and removing vegetation and it may be some time before they are able to address this issue. They have been notified that we may contact the NCDOH and NYSDOH. Also on Cobb Place, summons (rodents, property maintenance) has been issued. Awaiting disposition through Village Court.
- Stratford Green rat issues are being addressed solely by Stratford Green, which to date has not been successful. Their vendor has not dealt with the rat issue – their vendor has placed rat traps and the Building Department has verified that the traps are baited. Arrow Exterminating has been engaged to work with the LIRR to solve this problem in all discussed locations.
- Rte. 109 & Conklin St. auto body – work is proceeding on this project. Mr. Schmeltzer and his attorney appeared in court, work continues. Mr. Schmeltzer and his attorney will provide scheduling and progress in October. Dry wells are being installed and the site is being cleaned up.
- Application for one home on the south side of the Black Course development has been submitted and is going to the Planning Board, waiting for Planning Board application.
- “Haunted Hamburgers” is coming to the former Friendly’s site on Route 109. Building permit has been issued. Meeting with Planning Board for final disposition of exterior elevations.
- Daler Pizza at 331 Main Street has to come to the Board for more than 12 seats. Building permit has been issued.
- The Board requested an ownership check of certain properties on Eastern Parkway.
- Outdoor dining was discussed for Bagel Hut and the gas station at the corner of Heisser Lane. Outdoor dining was denied to the gas station due to lack of on-site parking.
- Friday & Saturday noise issues on Main Street are being addressed by Code Enforcement.
- New fence has been requested along the LIRR from Melville Road to Secatogue Avenue. It was noted that the LIRR needs a general cleanup of litter along the tracks at various locations.
